At Left Coast Diesel we provide a full range of diesel services. Our goal is to provide a cost alternative for regular maintenance items while also serving the enthusiast market. Diesels are becoming more and more popular as consumers recognize their long-term value, fuel economy and flexibility. They are also the fastest growing segment of vehicles for modification.

Left Coast Diesel offers complete diesel maintenance for your truck, van or motorhome. We know that you chose diesel because you want to haul more and you want your investment to last. Trust LCD to provide you with dealer-level service for a fraction of the cost.

Some of our services include:

- 30k, 60k, 90k services
- Oil Service
- Fully Computerized Diagnostics

- Wheels and Tires
- Brakes (Stock and Upgrades)

- Clutches (Stock and Upgrades)

- Automatic Transmission Service

- Complete Heavy-Duty Rebuilds
- Fluid & Filter Changes
- Torque Converters
- Deep Pan Installation
- Shift Kits
